SHIBATA ZESHINE
Japanese Autumn

The background is a complex abstract composition. It features a large, textured area of gold and yellow, which appears to be a print or a scan of a physical surface, showing some wear and tear. This is overlaid with various black and white patterns, including dense horizontal lines, a large dark circular shape on the right, and a red curved shape at the bottom right. The overall effect is one of layered, industrial or artistic textures.
